PATENT APPLICATION
IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

In re the application of: Attorney Docket No.: 1798.168:US02
Pastrick, et al. Confirmation No.: 8609
Application No.: 10/722,864 Examiner: Cheng, Joe H.
Filed: November 26, 2003 Group Art Unit: 3713
For: PROGRAMMABLE AED-CPR TRAINING DEVICE

LETTER TO THE EXAMINER

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

In regard to the above-identified matter, a response to the Office Action dated January 13, 2005 was filed via facsimile on April 13, 2005. Applicants' attorney received a facsimile transmission sheet (see attached) verifying that all seven (7) pages of the response were sent. However, Applicants' attorney did not receive an Auto Reply sheet from the U.S. Patent and Trademark Office's Electronic Business Center.

A telephone call was placed on April 15, 2005 to the Electronic Business Center to "Brian." Brian stated that he would look into the matter and let Applicants' attorney know the outcome. On April 18, 2005, Brian called to let Applicants' attorney know that he was unable to locate the facsimile in the records of the USPTO. Applicants' attorney placed a subsequent telephone call to the Examiner and reach Ms. Xuan Thai, the Examiner's supervisor.

Applicants' attorney hereby resubmits the response to the Office Action previously filed on April 13, 2005 with a copy of the transmission report showing a timely filing was made.

Application No. 10/722,864

Applicants' attorney respectfully requests that the Examiner consider the response as timely filed.

The Examiner is invited to telephone the undersigned if the Examiner believes it would be useful to advance prosecution.

Respectfully submitted,

Kimberly K. Baxter
